SCIENTIFIC PROGRAM

WELCOME MESSAGE

Respected Seniors & Dear Friends, Greetings from ISACON Maharashtra 2025, Mumbai!

On behalf of the Indian Society of Anaesthesiologists, Mumbai Metro Branch and the organising team of ISACON Maharashtra 2025, it is our pleasure and honour to invite you all to the State Conference of Maharashtra in its Silver Jubilee Year in 2025 to be held in Westin Powai, Mumbai from 10th October to 12th October 2025 with Pre-conference workshops on 9th October 2025.

The theme of the conference is 'Remodelling Anaesthesia Practice- Ready for the future' and we are making a scientific program in line with this, that will excite young minds as well as the veterans. I am sure it is going to be informative, discussing the contemporary and futuristic issues. The entire program will be in the form of plenary sessions, panel discussions, Pro Con debates, How I do it sessions, Master classes and quizzes with loads of prizes to be won and will have equal representation of all important topics. There will be ample participation from all the sectors, private practitioners, those working in resource limited areas and corporate hospitals, thus making it all inclusive.

There are going to be pre-conference workshops with participation of experienced national and international faculty and we feel that they can add tremendous value to our knowledge & skills. This will allow us to approach any patient with more confidence. Expect an equally fascinating cultural & entertainment programs in the after hours, allowing delegates from all over Maharashtra to unwind & gel together.

The host city of Mumbai is the Commercial Capital of India with excellent means of commuting. The cosmopolitan and accommodating culture of Mumbai is very endearing. Maharashtra State Chapter of Indian Society of Anaesthesiologists was established in the year 2000, thus making 2025 as the silver jubilee year. And it is appropriate that it be celebrated in Mumbai.

The venue Westin Powai is a five star property having excellent ambience against the backdrop of Powai Lake and facility for hosting big conferences. There is provision for residential packages also at the venue.

We, as organising team are committed to give you an outstanding experience. Come one, come all and be a part of this enriching & memorable conference.

Long live ISA!

With warm regards,

**Organizing Team
